DANIEL GUTIERREZ**

AGENDA DATE: April 6, 2010

PREPARED BY: Jennifer M. Lyon,  City Attorney (at the request of Mayor Ouzan)

RECOMMENDATION: Consider item.

DISCUSSION (Current consideration): Pursuant to Calexico Municipal Code section 2.19.020 (shown below), a commissioner can be removed at any time for any reason by the councilmember who appointed the commissioner. Additionally, in January of 2010, the Council amended section 2.19.020 to allow the Mayor to recommend removal of a commissioner for any reason and to allow the Council to vote for removal if the appointing councilperson does not wish to remove the appointee.

"Section 2.19.020 Removal.

A member of any commission, board, or committee may be removed at any time by the councilmember who appointed such member to the respective commission, board, or committee for any reason and/or if absent from three (3) regularly scheduled meetings in a calendar year. The Mayor also has the authority to recommend the removal of any member of any commission, board, or committee for any reason at any time except for a member of the Planning Commission. Once the Mayor makes such a recommendation, the Mayor shall first meet with the councilperson who appointed such member. If this does not result in a removal of the member, then the Mayor's recommendation for removal shall be considered by the entire Council and the member may be removed by a majority vote of the entire Council. Any removal of members must be done at a public meeting of the City Council. Members will also be automatically removed for failing to comply with mandatory ethics training."
